Organizations

Aggie Competitive Programming Club

Recognized

Aggie Competitive Programming Club serves the student body of Texas A&M by providing members with the opportunity to learn, practice, and teach others competitive programming techniques and...

American Chemical Society Polymer chemistry/Polymeric Materials: Science and Engineering Student Chapter

Recognized

The ACS POLY/PMSE student chapter @TAMU will provide networking, career development and opportunities for students and post-doctoral associates in the polymer field. Also, through this student...

American Institute of Aeronautics and Astronautics

<http://aiaa.tamu.edu> • Recognized

The AIAA Student Chapter at Texas A&M University College Station is committed to helping students with their personal and professional development, as well as giving back to the surrounding community...

Association of Environmental Engineering Students

<http://aees.tamu.edu> • Recognized

The Association of Environmental Engineering Students (AEES) is a group of Texas A&M University students interested in the field of environmental engineering. We have periodic meetings with speakers...

Bold Leaders in Urban Education

Recognized

BLUE's purpose is to cultivate high academic and research standards among graduate students, to promote community among students interested in Urban Education, provide community service to urban...

Chemical Engineering Graduate Student Association

<http://chegsa.tamu.edu> • Recognized

The objective of this association shall be to serve the interests and address concerns of the graduate students at the Texas A&M Department of Chemical Engineering.

Civil and Environmental Engineering Graduate Student Association

Recognized

Civil & Environmental Engineering Graduate Student Association is a departmental organization aimed: • To communicate within the Civil & Environmental Engineering department • To build a...

Computer Science and Engineering Graduate Student Association

<http://csegsa.tamu.edu> • Recognized

The goals of this association shall be to: * Provide graduate students in the Department of Computer Science with the means to express their opinions and address issues which affect them directly...

Electrical and Computer Engineering Graduate Student Association

Recognized

Our mission is to serve the interests and address concerns of the graduate students at the Texas A&M Department of Electrical and Computer Engineering, with a focus on their professional development...

ENGR TA Organization

Recognized

TAO's mission is to bolster and facilitate student, peer tutor, volunteer, and professor communication by hosting large scale reviews for course material, exams, and finals in collaboration with...

Grace Chinese Student Fellowship

Recognized

Help Chinese students integrate into local life and share the gospel with them.

IEEE-Power Engineering Society-Industry Application Society-Power Electronics Society Joint Student Chapter

<http://ieee-powerengineering.tamu.edu> • Recognized

The purposes of the Society are technical, scientific, literary, and educational. The Society shall strive for the advancement of knowledge of the theory and practice of electrical engineering and the...

Insightful Connections

Recognized

Insightful Connections (IC) promotes awareness about how people with visual impairments can live without limits. IC provides opportunities for visually impaired and sighted individuals to participate...

Institute of Transportation Engineers

<http://ite.tamu.edu> • Recognized

The purpose of this organization shall be to promote the advancement of transportation engineering. The goals of this organization shall be to foster the closer association of students with the...

League of United Latin American Citizens Council 22424

Recognized

The Mission of the League of United Latin American Citizens is to advance the economic condition, educational attainment, housing, health, and civil rights of the Hispanic population of Texas A&M...

Materials Advantage

<http://materialsadvantage.tamu.edu> • Recognized

To provide students studying (and/or interested in) the field of materials science and engineering opportunities to further their (i) professional development, (ii) technical laboratory skills, (iii)...

Materials Science and Engineering Ambassadors

Recognized

The purpose and mission of this organization is to promote the Department of Materials Science and Engineering (MSEN) through tours, demonstrations, and discussions. These discussions will include...

Mechanical Engineering Graduate Student Organization

<http://megso.tamu.edu> • Recognized

The purpose is to promote positive communication within the Mechanical Engineering Graduate Program at Texas A&M University through regular member meetings, social activities, knowledge exchange and...

Mentorship in Ocean Engineering

Recognized

To create an environment in which undergraduate Ocean Engineers can develop their professional network , excel academically, and become part of a community from the moment they are accepted into the...

Neurodivergent ; Aggies

Recognized

Building a community, and boosting awareness about neurodivergence and mental health.

Political Science Aggies

Recognized

The purpose and objectives of this organization shall be to further interest in the degree of Political Science. In addition, the goal of the organization is to foster a community and create...

Robomaster Robotic

Recognized

Texas A&M University's premier robotics team, Texas Aimbots, focuses on engineering, teamwork, and innovation. Participating in a yearly competition, TAMU RoboMasters competes against universities...

Sikh Students Association

<http://ssa.tamu.edu> • Recognized

The purpose of Sikh Student Association (SSA) of Texas A&M University is to promote awareness and understanding of Sikh religion, as well as its rich cultural heritage.

Society for the Advancement of Material and Process Engineering

<http://sampe.tamu.edu> • Recognized

The objective of the Chapter is the advancement and dissemination of scientific, engineering and technical knowledge, especially with respect to the manufacturing and processing of materials through...

Society of Automotive Engineers

<http://saeintl.tamu.edu> • Recognized

We are the Texas A&M Chapter of the Society of Automotive Engineers. We are involved in several hands-on engineering projects including Formula SAE, Baja SAE Challenge, Solar Car, SAE Apprentices, &...

Society of Plastic Engineers

<http://plastics.tamu.edu> • Recognized

The purpose of the organization is to promote student awareness and the education of polymer science and engineering by having monthly technical meetings, interacting with industrial partners and the...

Society of Sonic Flight Engineers

Recognized

As aggie engineers, our goal is to push innovation to new heights, and with that goal, we strive to learn through both the trials of failure and success. In creating SSFE we hope to create an...

TAMUG Galveston Engineering Student Organization

Recognized

Cultivate and foster a community of Aggie Engineers at Aggieland By The Sea.

TAMUG SNAME/MTS

Recognized

The SNAME & MTS Student Chapter serves as a vital link between academia and the professional world in Ocean Engineering and Marine Engineering Technology. The chapter offers a diverse range of...

TAMUG Women Engineering Outreach

Recognized

The Women in Engineering Outreach Organization is created for female engineers who have a passion about encouraging young women to pursue degrees in engineering. This organization will focus...

Texas A&M Computing Society

<http://tacs.tamu.edu> • Recognized

As the student chapter of ACM, Texas A&M Computing Society serves a dual purpose. We not only encourage the exploration of computing technology, but also provide guidance in navigating the field of...

Texas A&M Fly Fishing Club

<http://tamuflyfishingassociation.tamu.edu> • Recognized

Our mission is to grow the community of fly fishing at Texas A&M through conservation, research, and community outreach. We hope to learn more about the sport of fly fishing as well as our local...

Texas A&M Student Branch of The ASHRAE

<http://ashrae.tamu.edu> • Recognized

The purposes of the Texas A&M student branch are exclusively scientific and educational and include, but are not limited to: 1. the advancement of the sciences of heating, refrigerating and...

Texas A&M Student Section of the Structural Engineers Association of Texas

<http://seaot.tamu.edu> • Recognized

SEAoT welcomes graduate and undergraduate students who are interested in structural engineering. At monthly meetings students can attend monthly presentations made by other students or by visiting...

Texas A&M University Chapter of Geo-Institute

<http://geoinstitute.tamu.edu> • Recognized

The organization promotes the profession of Civil Engineering, specifically Geotechnical Engineering. It also increases the awareness of the activities of geotechnical engineers through speakers and...

The Institute of Electrical and Electronics Engineers, Inc.

<http://ieee.tamu.edu> • Recognized

The Institute of Electrical and Electronics Engineers (IEEE) is the world's largest professional organization for advancing technology. Our mission as the Texas A&M Student Branch is to prepare...

Volunteers Around the World- Veterinary Outreach Texas A&M

Recognized

Volunteers Around the World- Veterinary Outreach provides interns with an opportunity to work first hand with experienced local veterinarians in some of the most poverty-stricken communities. Interns...

Women in Industrial & Systems Engineering

Recognized

Our mission is to support and empower women and underrepresented individuals in industrial and systems engineering to excel in both their professional and personal lives. We are committed to offering...

2D Visual Developers

Renewing Recognition

To provide a space where those with a shared interest in comics, animation, graphic novels, and concept art can come together and create.

Aerospace Engineering Graduate Student Association

Renewing Recognition

1. Enrich the graduate experience for graduate students in the Aerospace Engineering department 2. Act as liaisons between the graduate student body within the Aerospace Engineering department and...

Aggie Aerospace Women in Engineering

<http://aawe.tamu.edu> • Renewing Recognition

To support and encourage women at the Texas A&M Department of Aerospace Engineering through social and professional events, as well as to build a social community in the aerospace department.

Aggie Club of Engineers

<http://aggieclubofengineers.tamu.edu> • Renewing Recognition

Aggie Club of Engineers is a social, service, and leadership organization strongly rooted in academics. ACE is based on the premise that bringing together student leaders from all levels and...

Aggie Robotics

<http://firstalumni.tamu.edu> • Renewing Recognition

Aggie Robotics is organized as an association for aiding faculty, staff, and students at Texas A&M University in their transition into the FIRST Volunteer and FIRST Mentor programs, providing...

Aggie Students Supporting Israel

<http://assi.tamu.edu> • Renewing Recognition

The mission and purpose of Aggie Students Supporting Israel is to encourage education about Israel through dialogue, improve activism through curiosity, and enable the 12th man to make well-informed...

Aggie Women in Computer Science at Texas A&M University

Renewing Recognition

AWICS aims to provide a community for individuals at Texas A&M University interested in the field of computing. In addition to exploring our technological interests, we want to uplift and empower...

Aggies Create

Renewing Recognition

The mission of Aggies Create is to provide students with the opportunity and resources to design, innovate and embrace their creativity within the field of product design and development.

AggieSat Laboratory

Renewing Recognition

To train students in systems engineering through hands-on experience in the design, building, testing, and operation of space systems.

Alpha Omega Epsilon

Renewing Recognition

M I S S I O N S T A T E M E N T Alpha Omega Epsilon is a professional and social sorority founded in 1983 that promotes friendship, leadership and professionalism to all members of the...

American Concrete Institute - Texas A&M University

<http://aci.tamu.edu> • Renewing Recognition

The purpose of the organization shall be to provide a means of advancing the interests of the American Concrete Institute in Texas A&M University which includes advancing engineering and technical...

American Institute of Chemical Engineers

<http://aiche.tamu.edu> • Renewing Recognition

The Texas A&M University Student Chapter of AIChE is dedicated to providing members with experiences that go beyond the usual classroom education. As a professional society, we arrange opportunities...

American Nuclear Society

<http://ans.tamu.edu> • Renewing Recognition

to provide members professional development; to contribute to the development of nuclear science and technology; to enhance public awareness of nuclear science and energy.

American Rock Mechanics Association Texas A&M University Student Chapter

Renewing Recognition

ARMA-TAMU Student Chapter's missions and visions are: 1) to provide a forum for collaboration among students, faculty, and others with an interest in rock mechanics and geo-engineering; 2) to...

American Society for Engineering Management at Texas A&M University

Renewing Recognition

Promote the development of the profession of Engineering Management in theory and practice.

American Society of Agricultural and Biological Engineers

<http://tamuasabe.tamu.edu> • Renewing Recognition

To promote leadership development and professional advancement of pre-professional members of the Society. To promote the interests and activities of members of the community. To promote the...

American Society of Mechanical Engineers

<http://asme.tamu.edu> • Renewing Recognition

The objective of this organization is to promote the profession of Mechanical Engineering. We build professional relationships between company representatives and members. This is completed primarily...

Architectural Engineering Institute - Texas A&M Chapter

Renewing Recognition

Mission: To connect and promote student collaboration, developing professional and personal skills, through educational and stimulating events related to Architectural Engineering. Purpose: To...

Biomedical Engineering Graduate Student Association

<http://bmegsa.tamu.edu> • Renewing Recognition

The main goals of the BMEGSA are to represent the interest of the graduate students to the faculty and administration of the BMEN department and to facilitate networking and social interactions...

Biomedical Engineering Society

<http://bmes.tamu.edu> • Renewing Recognition

The Biomedical Engineering Society (BMES) works with the Texas A&M Biomedical Engineering Department to expose students to the array of career opportunities in areas such as industry, research, and...

Chemical Engineering Undergraduate Student Advisory Council (CHEN-USAC)

Renewing Recognition

The purpose of the USAC is to represent the undergraduate student body in the Department of Chemical Engineering. The Council will be a clear line of communication and feedback loop between students...

Developer Student Club at Texas A&M University

Renewing Recognition

Our mission is to bridge the gap between theory and practice by creating a community for developers to build knowledge together and work on real-world projects that expand their understanding of...

Engineering Mentorship Council

Renewing Recognition

To establish an outlet for the Engineering community to learn and practice creative leadership skills through mentorship, outreach and social responsibility.

Engineers for a Sustainable World

Renewing Recognition

The purpose of this organization is to create a world of environmental, social and economic prosperity through implementing engineering principles in philanthropic efforts to design, educate, and...

Engineers Serving the Community

<http://esc.tamu.edu> • Renewing Recognition

Engineers Serving the Community desires to improve the Texas A&M Campus and support the surrounding community through the application of engineering design skills. On top of working to improve campus...

FEST - (Freshman in Engineering, Science, and Technology)

Renewing Recognition

The purpose of this organization is to instill and develop leadership, social, and service qualities, while developing lasting relationships among our members.

Freshmen Leaders in New Technology

Renewing Recognition

Our mission is to integrate Freshmen into the environment of entrepreneurship by allowing them to design and implement their own projects in teams while we teach them valuable engineering skills such...

Freshmen Reaching Excellence in Engineering

<http://freefreshmen.tamu.edu> • Renewing Recognition

Freshmen Reaching Excellence in Engineering is a student organization created for the purpose of developing leadership and forming a community of freshmen within the college of engineering.

IEEE-Tech Electrical and Electronics Engineers

<http://ieeetech.tamu.edu> • Renewing Recognition

The purpose shall be to disseminate knowledge of the theory and practice of all aspects of electrical engineering, electronics, radio, allied branches of engineering or the related arts and sciences...

Institute of Industrial and Systems Engineers

<http://iie.tamu.edu> • Renewing Recognition

The purpose of this Chapter is to serve as a voice of the Industrial and Systems Engineering Students, provide programs to enhance the knowledge and understanding of the profession, promote Industrial...

K-pop Dance Association

Renewing Recognition

To spread Korean culture through dance and performance.

Latino Logradores

Renewing Recognition

Latino Logradores (translation is Latino Achievers) is a first year program which supports the success of Latinx students at Texas A&M University by providing mentorship, a family atmosphere...

MAES: Latinos in Science and Engineering, Texas A&M University Chapter

<http://tamumaes.tamu.edu> • Renewing Recognition

The purpose of the MAES: Latinos in Science and Engineering is to promote the professional and personal development of minorities pursuing degrees in engineering and science. We encourage the...

Marine Technology Society

<http://mtssname.tamu.edu> • Renewing Recognition

MTS goals are to disseminate marine science and technical knowledge, to promote and support education for marine scientists, engineers and technicians, to advance the development of tools required to...

Mays Transfer Organization

Renewing Recognition

MTO aims to change the transfer culture in Mays. We want to help acclimate new students and give them community that will bolster confidence to get plugged in. We will give them opportunities to learn...

Mechanical Engineering Female Grad Students

Renewing Recognition

Our organization aims at (1) performing outreach activities and provide a supportive and collaborative community among the female graduate students in the Mechanical Engineering (MEEN) department, (2)...

National Association of Corrosion Engineers Texas A&M University Student Chapter

Renewing Recognition

- Disseminate and promote the knowledge of corrosion protection, corrosion engineering and its management at Texas A&M University. - Enhance collaborations between NACE TAMU and other corrosion...

National Organization for Business and Engineering

Renewing Recognition

NOBE's mission is to bring individuals together at corporate and academic institutions interested in both business and engineering while combining both fields into one practice. NOBE will serve as a...

National Organization of Minority Architecture Students - Texas A&M University Chapter

Renewing Recognition

NOMAS, which thrives only when voluntary members contribute their time and resources, has as its mission the building of a strong national organization, strong chapters and strong members for the...

National Society of Black Engineers

<http://nsbe.tamu.edu> • Renewing Recognition

The mission of the National Society of Black Engineers is to increase the number of culturally responsible black engineers who excel academically, succeed professionally and positively impact the...

Omega Epsilon

Renewing Recognition

The recognition of exemplary scholastic achievement in the Ocean Engineering Program.

Palestine Solidarity Committee

Renewing Recognition

The Palestine Solidarity Committee aims to educate and share the cultural knowledge of the Palestine people and their struggle as well as to cultivate a space that critiques and challenges systems of...

Panel of Herox Aggie Student Engineers

Renewing Recognition

We plan to bring together engineering students of different disciplines to gain experience in their majors while designing and building projects that members are legitimately passionate about. We want...

Phi Beta Sigma Fraternity, Inc.

<http://pbs.tamu.edu> • Renewing Recognition

The purpose of Phi Beta Sigma Fraternity, Inc. is to promote the development of character through participation and community service, leadership, scholarship, and brotherhood-building activities. The...

Phi Sigma Rho

Renewing Recognition

Phi Sigma Rho is a social sorority for women in engineering and engineering technology. Phi Rho is the largest sorority for engineers in the country and through Phi Sigma Rho, our sisters develop the...

Presente en la Lucha de Mama

Renewing Recognition

The purpose of this organization is to support and sponsor Latinx families with mothers who have breast cancer and/or other terminal illnesses. The support from the organization would come in the form...

Product@TAMU

Renewing Recognition

Product@TAMU brings together students of like-minded interests in product management to create an atmosphere of continuous learning and opportunities to advance or start a career in product...

Professional Association for Industrial Distribution

<http://paid-id.tamu.edu> • Renewing Recognition

PAID is an organization for promoting student involvement with Industrial Distribution faculty and industry personnel. Student members organize and publicize business meetings, power lunches, social...

Society of Asian Scientists & Engineers

<http://sase.tamu.edu> • Renewing Recognition

SASE is dedicated to the advancement of Asian heritage scientists and engineers in education and employment so that they can achieve their full career potential. In addition to professional...

Society of Flight Test Engineers

<http://sfte.tamu.edu> • Renewing Recognition

Here in this chapter of SFTE, we pride ourselves on being a close-knit group of engineers looking to experiment and test custom RC planes and drones. Although primarily consist of Aerospace Engineers...

Society of Hispanic Professional Engineers

<http://shpe.tamu.edu> • Renewing Recognition

The mission of the Society of Hispanic Professional Engineers (SHPE) is to promote the development of Hispanics in engineering, math and science professions to achieve educational excellence, economic...

Society of Manufacturing Engineers

<http://sme.tamu.edu> • Renewing Recognition

The purpose of the organization shall be to educate members about manufacturing careers, technologies, processes, and practices.

Society of Naval Architects and Marine Engineers

<http://sname.tamu.edu> • Renewing Recognition

SNAME goals are to advance the state of the art, to afford the opportunity for the exchange of information and ideas, to disseminate results of research, experience and information among its members...

Society of Women Engineers

<http://tamuswe.tamu.edu> • Renewing Recognition

The Society of Women Engineers (SWE), originally founded in 1950, is a national non-profit educational and service organization. SWE is the driving force that establishes engineering as a highly...

Society of Women in Industrial Distribution

Renewing Recognition

The mission of the Society of Women in Industrial Distribution is to develop confident and competent young professionals. We will create and maintain an environment where students, faculty, and...

Soul Purpose a Cappella

Renewing Recognition

Soul Purpose a Cappella is all-inclusive, student organisation committed to fostering a creative and welcoming environment for Aggies to express their passion for traditional African-American genres...

Sports Analytics Club

Renewing Recognition

To bring together individuals interested in sports statistics together to work on projects such as player analysis and differences in eras using databases like FanGraphs and BaseballSavant. Another...

Statistics Graduate Student Association

<http://sgsa.tamu.edu> • Renewing Recognition

The Statistics Graduate Student Association will: - Provide a forum in which students can both learn about ongoing statistical research and present their own research - Encourage participation in...

Student Engineers' Council

Renewing Recognition

To serve as a representative voice for the students, societies, and administration within the Dwight Look College of Engineering, to increase engineering awareness, and to provide for professional...

Students of Eastern Africa

Renewing Recognition

The mission of Texas A&M University's Students of Eastern Africa is to create a platform that embodies and unites the Eastern African community together by celebrating Eastern African heritage through...

T minus

Renewing Recognition

To be a witnessing and welcoming family of Christians that pursues a relationship with Jesus Christ as we grow in the knowledge of God's word and His universe. Creating an atmosphere in aerospace...

TAMU Fluid Power Club

Renewing Recognition

The mission of the TAMU Fluid Power Club (TAMU FPC) will be to provide engineering students, specifically those in the Engineering Technology & Industrial Distribution (ETID) department, with...

Tethered Informatics and Data Analytics Lab at Texas A&M University

Renewing Recognition

The Tethered Informatics and Data Analytics Lab at Texas A&M University (tidaltamu) believes in accelerating discovery, innovation, and exploration in industry, research, and academia. The most...

Texas A&M Engineering Academies Student Organization

Renewing Recognition

The purpose of the Texas A&M Engineering Academies Organization is to promote the professional and personal development of students who attend or transitioned from an engineering academy in pursuit of...

Texas A&M Solar Car Racing Team

Renewing Recognition

Design, build, and test a solar powered racecar. Supplement engineering classroom curricula with challenging extra-curricular creativity and problem solving. Promote the university as a top...

Texas A&M University Robotics Team and Leadership Experience

<http://turtlebotanics.tamu.edu> • Renewing Recognition

T.U.R.T.L.E's mission is to provide A&M engineering students a hands-on experience in the field of robotics. Each semester, teams will be challenged with a project or assignment that will culminate...

Texas A&M University Sounding Rocketry Team

<http://srt.tamu.edu> • Renewing Recognition

The purpose of the Sounding Rocketry Team is to encourage an environment of academic application to technical projects. More specifically, the team will learn about different components of...

Texas A&M University Student Branch, American Society for Quality

Renewing Recognition

The mission and purpose of this Student Branch will be the advancement of the theory and practice of quality and the allied arts and sciences, and the maintenance of high professional standing among...

Texas A&M University Student Chapter of the Society of Petroleum Engineers

<http://spe.tamu.edu> • Renewing Recognition

Our mission as the SPE student chapter at Texas A&M University is to maintain the success and raise the standards of our students, society, and department by executing a plan that seeks to fulfill...

Texas Aggie Bankruptcy Society

Renewing Recognition

The Texas Aggie Bankruptcy Society (TABS) seeks to promote bankruptcy law as a field of interest at A&M Law. The Texas Aggie Bankruptcy Society at Texas A&M University School of Law, establish...

Texas Blockchain at A&M

Renewing Recognition

Our mission is to educate and inform students about the potential and applications of blockchain technology, and to provide a space for students to collaborate and discuss ideas related to this...

THE SOCIETY OF MECHATRONICS ENGINEERING TECHNOLOGY

Renewing Recognition

The goal of the organization is three fold: Create a environment and network that promotes academic and social success within the Multidisciplinary Engineering Technology Department. Develop...

ThinkTank

Renewing Recognition

TAMU Think Tank aims to provide a platform for students to compete in real engineering crowdsourcing competitions and present to real professionals in industry-leading companies while teaching the...

Vertical Flight Society

Renewing Recognition

The Vertical Flight Society serves as a professional society for engineers interested in the field of helicopters or other rotorcraft. The society will host meetings on a biweekly basis with industry...

Women in Materials Science

<http://wims.tamu.edu> • Renewing Recognition

To encourage communication between students currently studying materials science and those eager to learn what materials science and engineering is. Our goal is to retain current students as well as...

Women In Nuclear

<http://womeninnuclear.tamu.edu> • Renewing Recognition

The Texas A&M Chapter of Women in Nuclear is part of an extensive national organization that focuses on certain objectives. Together we will support an environment in nuclear energy and nuclear...

AAAR Student Chapter TAMU

Pending Recognition

AAAR SC-TAMU aims to connect and serve intellectual interests of students pursuing aerosol research. It will also serve as a platform to communicate interdisciplinary scientific advances done in the...

KARURA, Mars Rover Project

Pending Recognition

Soliciting donations through donor contact, donor letters, visits to businesses, etc.

Texas Society of Professional Engineers Higher Education Center McAllen

Pending Recognition

Our organization is dedicated to fostering a dynamic community for aspiring engineers, focused on promoting professional growth, academic excellence, and community engagement. Guided by our Aggie Core...

Women in Information Systems and Excellence

Pending Recognition

Women in Information Systems and Excellence (WISE) has a mission to foster growth, build a strong community, and prepare women in the information systems field for a successful and inspiring future...

Aggie Data Science Club

Recognized with Restrictions

The Aggie Data Science Club mission is to focus on career development and help foster the right skills and tools that will enable students to solve real world data science problems.

American Society of Civil Engineers (J.T.L. McNew Chapter)

<http://asce.tamu.edu> • Recognized with Restrictions

The Texas A&M student chapter of ASCE has over 400 students involved. Texas A&M ASCE membership provides an unique experience and allows students an opportunity to develop lasting relationships with...

Geothermal Rising - TAMU Chapter

Recognized with Restrictions

To connect the geothermal community and champion geothermal energy in the United States and around the world. Group all geothermal working students at TAMU and interact with all geothermal colleagues...

Internal Audit Program - Student Association

Recognized with Restrictions

The IAPSA is to provide undergraduate and graduate students with an educational and social organization that promotes internal auditing as a career objective.

International Council on Systems Engineering

Recognized with Restrictions

The mission of INCOSE at Texas A&M is to facilitate the development of Systems Engineers through educational assistance, networking opportunities, ASEP certification assistance and leadership...

Physics and Astronomy Graduate Student Assembly

Recognized with Restrictions

The Assembly exists to create, grow, and facilitate a sustained and interconnected community of graduate students within the Texas A&M Department of Physics and Astronomy via the principles of...

SOLAD Test Org

Recognized with Restrictions

Test

Theta Tau

<http://thetatau.tamu.edu> • Recognized with Restrictions

The purpose of Theta Tau is to develop and maintain a high standard of professional interest among its members, and to unite them in a strong bond of fraternal fellowship. We uphold our purpose...

Women in Robotics, Engineering, and Development

Recognized with Restrictions

Women in Robotics, Engineering, and Development (WIRED) is a student-led effort to create opportunities for students to participate in hands-on projects and develop leadership skills. WIRED's...

12th Astronaut Lab

Not Recognized

The 12th Astronaut Lab is a group of project teams orientated around helping fix challenges in space or flight operations using AR and VR. The lab helps promote team work, camaraderie, and allows for...

42 Dominoes Club

Not Recognized

To provide an avenue for all who are interested to play Texas A&M's favorite domino tradition. This club is for experienced players who are looking for a challenging, competitive environment; for...

A&M Campus Kiva

Not Recognized

In developing countries throughout the world, entrepreneurs are looking to start their own businesses: farms, shops, and other small ventures, but in order to start, they need small loans on the order...

A&M Eco-marathon

Not Recognized

The purpose of this organization is to bring together individuals wanting to develop a hyper-efficient passenger-style vehicle for annual competition in the Shell Eco-marathon competition.

A.M. Prayer

<http://collegestationhop.tamu.edu> • Not Recognized

To gather students for the purpose of worship and prayer for Texas A&M. We will train students to become worship leaders (singers and musicians), prayer leaders, and Bible teachers, equipping them to...

AcroLeague

<http://acroleague.tamu.edu> • Not Recognized

AcroLeague is a place where students enhance their skills in the arts of combining yoga and acrobatics. Students will be able to learn how to base, fly, and spot which are three fundamental features...

African American Business Society

Not Recognized

To promote the success of business students through professional development, academic achievement, and community involvement. To provide opportunities for minority students to increase their...

Aggie Alliance

Not Recognized

To give majors in the field of Health Education and Kinesiology an opportunity to meet together with the faculty and other related professionals to discuss new and ever present facets in this field...

Aggie Athletes Involved

Not Recognized

We are completely a community service organization. We are dedicated to getting athletes involved in the community. A big part of what we do is to be involved in activities that deal with young...

Aggie Billiards

Not Recognized

To educate students of Texas A&M about the great game of billiards and give students a competitive environment in which to play. We would like to host various tournaments that students could compete...

Aggie Bodybuilders

Not Recognized

To provide an open forum for male and female Bodybuilders at Texas A&M university.

Aggie Campus Repair Effort

Not Recognized

To provide for the students of Texas A&M University in College Station, TX, a directed outlet for positively affecting the various areas of campus for the purposes of beautification and...

Aggie Cinema Appreciation

Not Recognized

ACA's purpose is to provide an opportunity for students to appreciate modern cinema by watching and critiquing cinema together. ACA's mission will be to inspire and support students with their...

Aggie Computer Graphics

Not Recognized

To promote the experience and appreciation of computer graphics through a collaborative social environment.

Aggie Disc Golf Club

Not Recognized

To promote Disc Golf as a sport and recreational activity throughout the community of Aggieland as well as the surrounding community of Bryan-College Station.

Aggie Excellence Fund

Not Recognized

The mission of the organization is to create, fund, and run a scholarship endowment for other students. We want to give scholarships to students who have demonstrated and proven a commitment to...

Aggie Feral Cat Alliance of Texas

Not Recognized

The purpose is to humanely manage feral cat populations on the campus of Texas A&M University, and to educate the TAMU community about responsible pet ownership and animal overpopulation.

Aggie Global Interaction

<http://agi.tamu.edu> • Not Recognized

The purpose of AGI is to promote hospitality among business exchange students, encouraging them to become an active part of the Mays College of Business, Texas A&M University and the local...

Aggie Hispanics In Computing

Not Recognized

AHIC (Aggie Hispanics in Computing) is a Texas A&M University organization that is built on a community of university students who want to explore their interest in the field of technology and...

Aggie Hope

Not Recognized

To continue growth into disciples of Christ while inspiring hope in others.

Aggie Humans

<http://aggiehumans.tamu.edu> • Not Recognized

Aggie Humans will strive to bring awareness of global human rights issues to the Texas A&M campus and provide local solutions that Aggies can take part in. We will focus on a variety of areas such as...

Aggie International Ambassadors

Not Recognized

To promote mutual cultural exchange between domestic and international students, to increase awareness of global diversity on campus, to support a "global mindset" of world travel and an appreciation...

Aggie Movement Exchange

Not Recognized

The Movement Exchange mission is to foster civic engagement, cross-cultural understanding, and creative expression. We use dance as a vehicle for social change locally and internationally. We believe...

Aggie Players

Not Recognized

Aggie Players strives to bring theatrical arts experience to Texas A&M students of all majors and experience levels.

Aggie Storytelling Association

Not Recognized

To encourage appreciation and awareness of storytelling in the A&M community as a means of enhancing student life on campus and helping student and university organizations and departments fulfill...

Aggie Visionaries

Not Recognized

To build relationships with a diverse group of Aggies and develop those students through selfless service. Visionaries aims to build long-term relationships between fellow ambitious students, have an...

Aggie Visionaries

Not Recognized

The mission of Aggie Visionaries is to promote the importance of eye health throughout the Texas A&M community while partnering with OneSight to provide global support for those who do not have access...

Aggie Wildflowers

<http://aggiewildflowers@tamu.edu.tamu.edu> • Not Recognized

The mission of this organization is to promote self development, leadership skills, sisterhood, community involvement, and knowledge of agriculture to the youth in a fun and relaxing way through the...

AggieBOTS

<http://aggiebots.tamu.edu> • Not Recognized

To promote technology awareness. We will assist robotics programs for high schools, especially B.E.S.T. Robotics Inc. Activities, and provide volunteer opportunities for members in technology...

Aggieland Drone Society

Not Recognized

Create a social and supportive environment for enthusiasts and those wishing to know more about drones, UAV's, quadrotors, and similar remote controlled vehicles, as well as racing them.

Aggies Against ALS

Not Recognized
